

## Prime PEEK®

---

The Resin Enterprise, Inc. is now offering prime Polyetheretherketone (PEEK®) resin from several major PEEK® producers. We now provide this material in original packaging, with original certs and lots. The material is always in stock and available to ship promptly to your plant destination. We also compound fiber glass and/or carbon fiber into PEEK® and these materials are offered at a significant cost savings over the competition. Our materials are shipped in gaylords and are certified by our ISO/QS certified laboratory. Whether you need unfilled prime PEEK® or compounded reinforced PEEK® products, The Resin Enterprise, Inc. should be your source for PEEK® materials.

*At the Resin Enterprise, we pride ourselves on providing creative solutions to your most difficult molding and extrusion problems, at a cost savings over the competition.*
